DNA *Diamond* SIGNATURE is your diamond identity. Your living cells are transformed into your personal essence and encapsulated within the most eternal material in the world - the diamond.

DNA *Diamond* SIGNATURE is a gift of life. Your DNA is transformed and infused into a diamond for eternity.

DNA *Diamond* SIGNATURE is a symbol of the bond between two individuals who wish to express their commitment to each other by providing ingredients to a single essence that will be combined together forever.

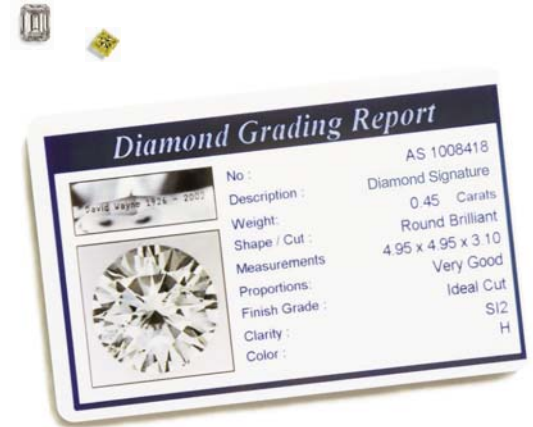

DNA *Diamond* SIGNATURE is a symbol of a milestone that incorporates your personal essence within a diamond for eternity.

DNA *Diamond* SIGNATURE is a family heirloom Your loved ones will have you close to their heart always.

To create your DNA *Diamond* SIGNATURE

a small, 1 gram sample of your living cells, such as hair or nails, is transformed and incorporated for eternity within a diamond.

Delivery takes six (6) weeks.

Imagine
Diamonds infused with your essence
for eternity

DNA *Diamond* SIGNATURE™
